

# Pakistan | Monsoon rains and EU response

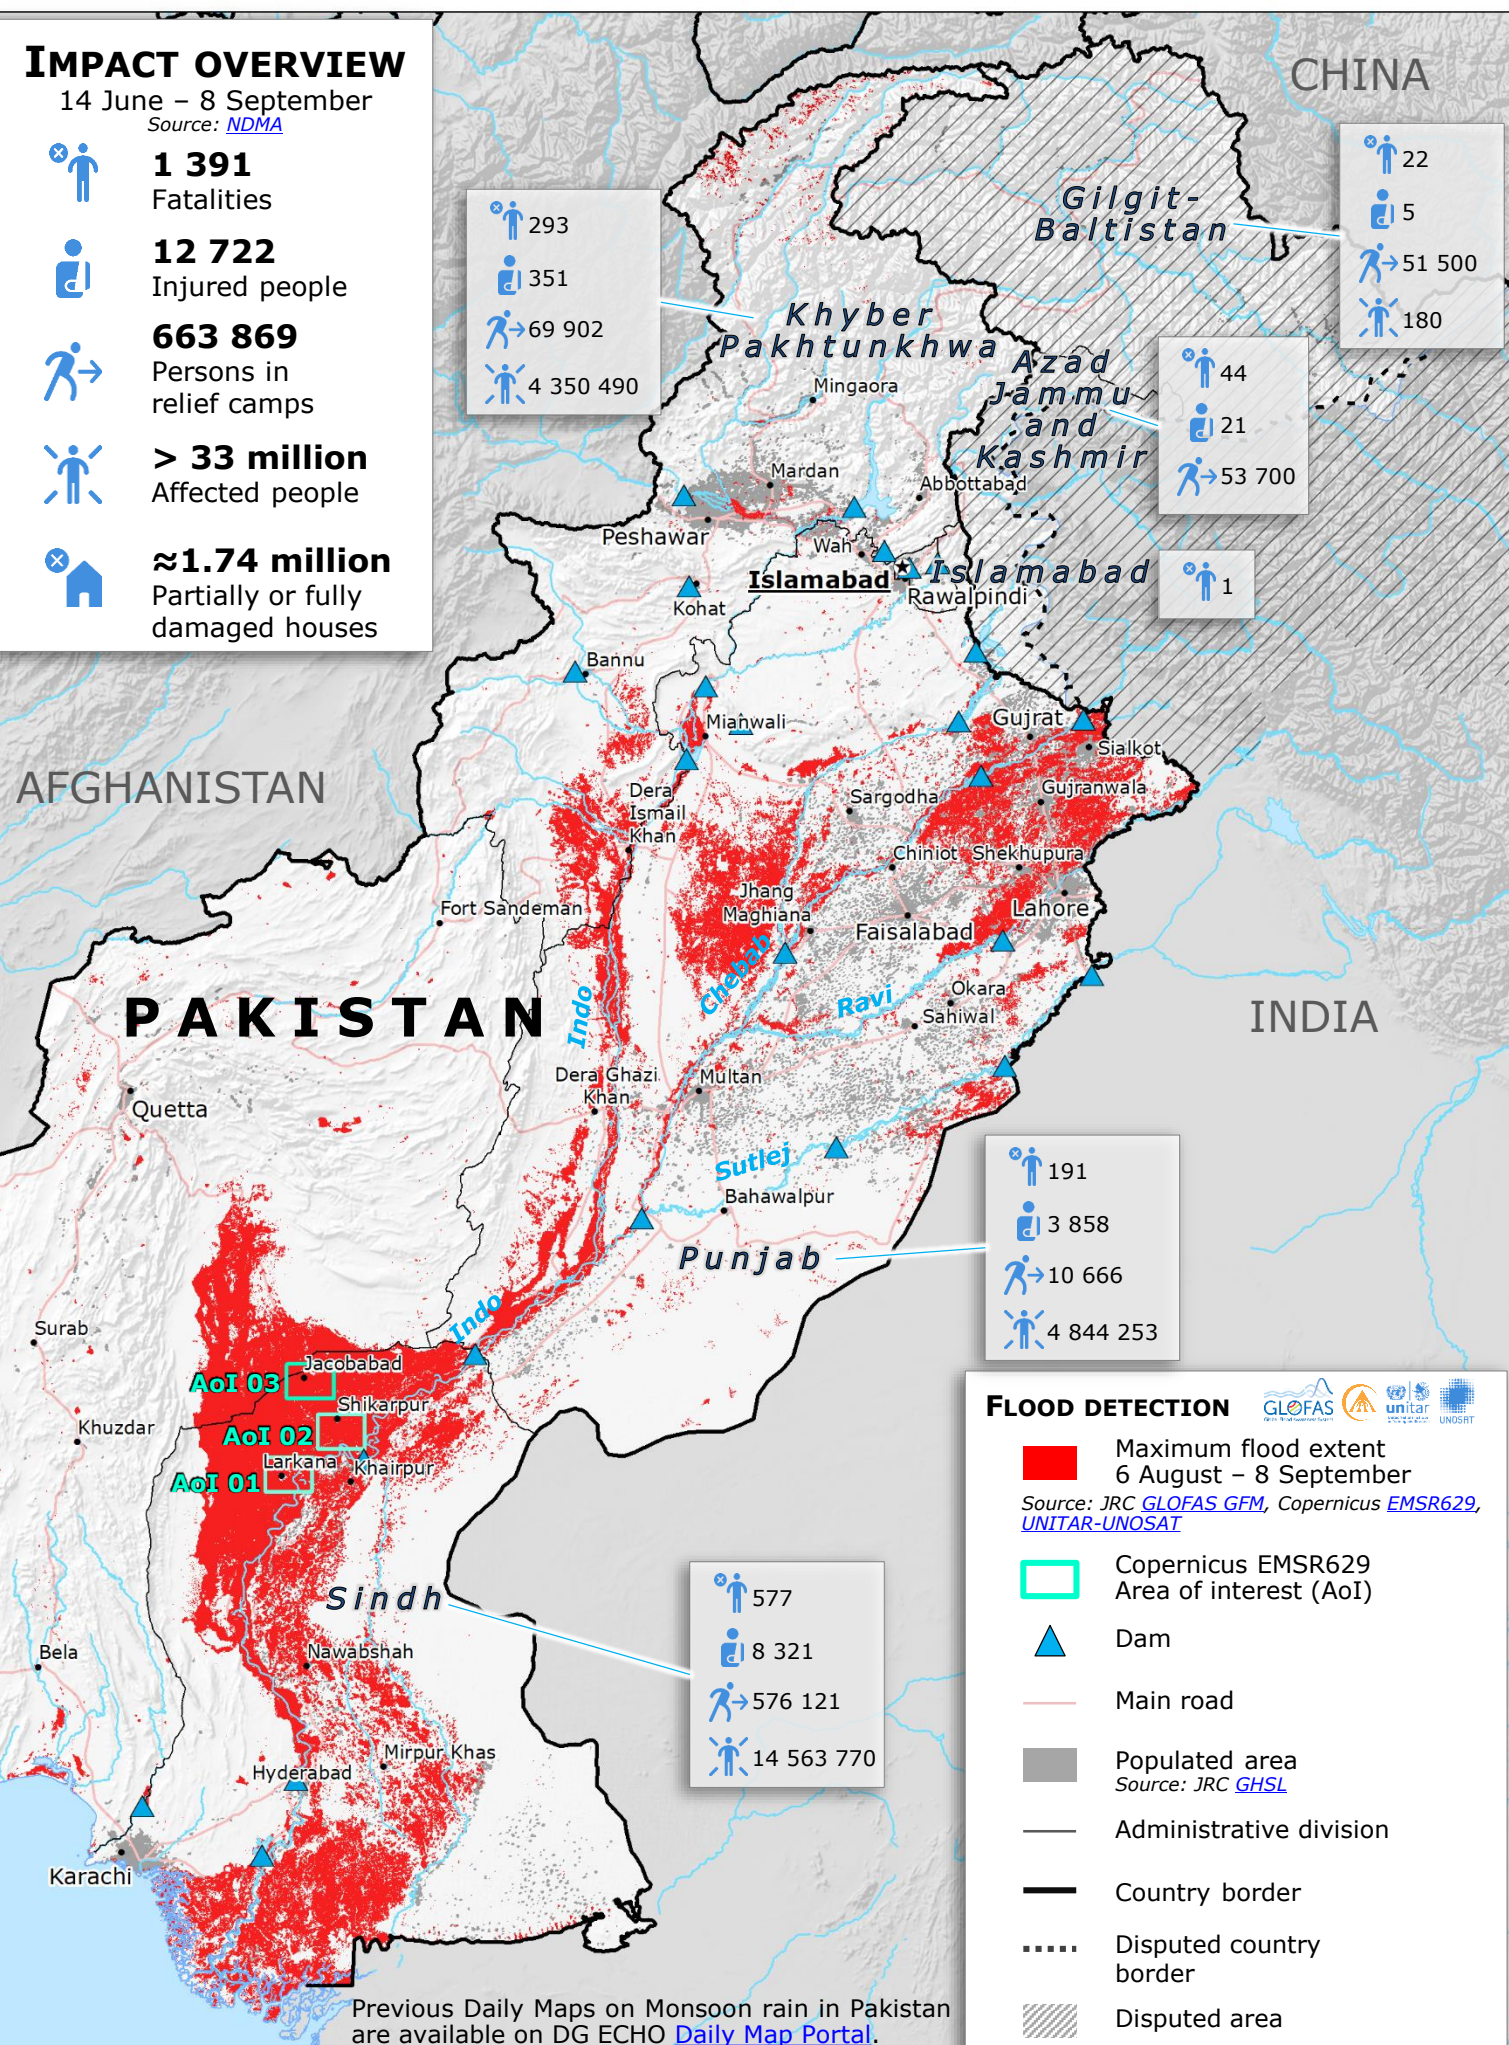

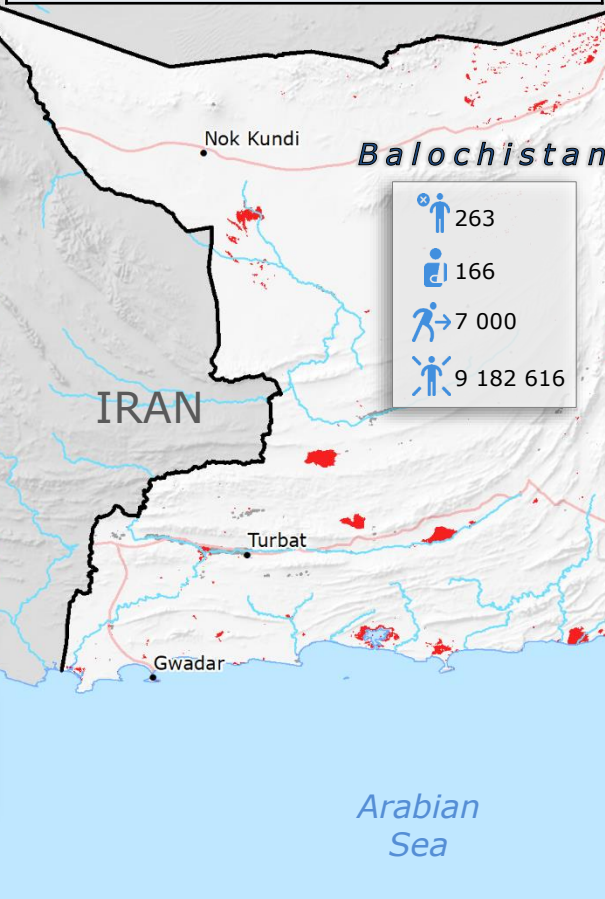

**EU RESPONSE**

- The European Commission mobilized **EUR 2.35 million** in emergency humanitarian funding to address the most urgent needs of the affected population.
- The EU Civil Protection Mechanism (UCPM) was activated following a request for support from the Pakistani authorities via the EU Delegation in Islamabad. Austria, Belgium, Denmark, France, and Sweden have offered shelter items, medical supplies, non-food items, water pumps, a Bailey bridge, and medical and a water purification team. An EU Civil Protection Team and an ERCC liaison officer were deployed to Islamabad to support national authorities.
- Following a request from the UNEP/OCHA Joint Environment Unit, an environmental expert from Sweden will deploy to be integrated in the OCHA response structure.
- The European Commission's Copernicus Emergency Management Service was activated ([EMSR629](#)).
- DG ECHO, using the JRC GLOFAS GFM (Global Flood Monitoring) tool's data, created a dynamic map showing the [extent of floods](#) in the period up to 30 Aug.

**IMPACT OVERVIEW**  
14 June – 8 September  
Source: NDMA
